

# VOTE 1

The Other Election showcases over 500 Indigenous kids delivering their speeches as the first Indigenous Prime Minister. We're calling on one million Australians to vote online to show that we can see an Indigenous Prime Minister in our lifetime and an Australia where no kid gets left behind.

The AIME Mentees from your Uni need your vote!  
**Head to the [www.theotherelection.com.au](http://www.theotherelection.com.au) from 30 August** to vote for your Mentees and show Australia that we can see an Indigenous PM in our lifetime.

By voting in The Other Election we stand together with these inspirational Indigenous kids who have raised the bar in the face of adversity to offer a vision for the future filled with hope, positivity and greatness. These kids challenge us all to imagine what's possible.
